## REPORT ON HEMOGLOBIN TEST:

A free hemoglobin test camp for the students of S. J. M. College, Chandravalli was organized by women empowerment cell on Thursday. The hemoglobin test camp was organized by the college in active collaboration with Inner Wheel Club Chitradurga Fort.

A hemoglobin test measures the levels of hemoglobin in the blood. Hemoglobin is a protein in the red blood cells that carries oxygen from the lungs to the rest of the body. If the hemoglobin levels are abnormal, it may be a sign that one may have a blood disorder. A hemoglobin test is often used to check for anemia, a condition in which the body has fewer red blood cells than normal.

Prior to the beginning of the hemoglobin test camp, an inaugural programme was organized by the women empowerment cell in hall no. 5 which was presided over by Dr. K. C. Ramesh, Principal of the college, IQAC Coordinator Dr. R. V. Hegdal, President of Inner Wheel Club Chitradurga Fort Varalakshmi, its Secretary and . Nazir mam delivered the welcome address, which was followed by relevant speeches by the dignitaries.

In the camp, the hemoglobin test was done for a total of 189 students. All of them were found to have their hemoglobin level above 10. Prof. Chandamma, Assistant Professor, Dr. Nazir Unnisa, Prof. V. S. Nalini and other faculty members actively cooperated to make the camp a grand success.
