DISTINCTIVENESS OF THE COLLEGE

The SJM Vidyapeetha to which our college belongs is one of the few premier educational institutions in Karnataka in providing education to the rural masses ranging from primary education to higher and technical and medical education. This college has retained its reputation and named and standards in providing value based education in the midst of still competition from other colleges. The college spread across as specious land and has been an eco-friendly campus for the last three decades about 300 well grown plants of different species, a mini check dam to store rain water, a rechargeable bore well, rain water harvesting, solar energy are its special characteristics added to its distinctiveness.

To impart value based culture centric education a Vachana kammata examination, based on the teachings of lard Basaveshwar 12th Century Saint poet, social reformer and other saint poets, is conducted for all the students every year in our institution. Though this examination is not mandatory all the students enthusiastically appear for this examination. This examination makes the students study the teachings and preaching of the saint poet which help them in imbibing the values in their lives.

Our's is the only first education institution established back in 1967 in this area of Chitradurga city. The Institution is surrounded with 10 acres of land which has eco friendly and green campus. About 150 trees of different species including medicinal plants provide clean air and shade throughout the year.

The college has beautiful botanical garden along with medicinal plants. Good number of alumnus of the college are at the higher position as lawyers, chartered accountants,
