Report on Fire Disaster Prevention & Demonstration Program

Date: 13-06-2023

The sixth day of the camp was started with the Fire disaster prevention and demonstration by trained employees of Office of the Fire station office, Chitradurga. They informed the volunteers and villagers about the dangers of fire and also about the measures to protect oneself and others from the dangerous effects when there is a fire break out. This fact was highlighted in the speech by Sri G Mahalingappa one of the officials from the department. The Practical demonstration depicting fire fighting in various ways was shown.
